

Year 2019

• **The 18th young soil scientists' academic symposium on Healthy Soil and Rural Revitalization, May 24-27, Bengbu, China.**

• **SUIYMA 10- Soils of Urban, Industrial, Traffic, Mining and Military Areas, June 16-21, Seoul, Korea.**

<http://www.suitma10.org>

• **Academic symposium on Food Security and Climate Change:4/1000 initiative new tangible global challenges for the soil, June 18-20, Poitiers, France.**

<http://symposium.inra.fr/4p1000>

• **ISMOM 2019- the 8th international symposium on Interactions of Soil Minerals with Organic Components and Microorganisms, June 23-28, Seville, Spain.**

<http://www.ismom2019.org/>

• **The 5th international Rhizosphere conference- Rhizosphere 5, July 7-11, Saskatchewan, Saskatoon, Canada.**

<http://rhizo5.org>

• **The first branch of the first National Soil Remediation Conference on Development and Application of Soil Remediation Equipment: present and future, July 15-17, Yantai, China.**

• **2019 joint symposium of soil environment Specialty Committee and soil chemistry Specialty Committee of Soil Science Society of China on Soil Environment, Soil Chemistry and Ecological Security, July 21-23, Chongqing, China.**

• **Academic symposium on Opportunities and Challenges of Chinese Soil Physics under global change, July 31-August 2, Huhehaote, China.**

• **2019 academic symposium of soil erosion and soil-water conservation Specialty Committee of Soil Science Society of China on Soil-Water Conservation and "Two Mountains theories", August, Dalian, China.**

• **The 11th national academic symposium on Soil Biology and Biochemistry and the 6th national symposium on Soil Ecology and Health, August 16-18, Changsha, China.**

- **The 2nd national academic symposium on Soil Engineering Science and the 4th MIT-ILP global innovative forum, September 25-27, Xi'an, China.**

- **The 25th World Congress of the IUFRO (International Union of Forest Research Organization), September 29- October 5, Parana, Brazil.**

<http://iufro2019.com/>

- **The academic symposium on Advocating Soil Health and Insisting on Green Development, October 11-13, Nanchang, China.**

- **The 14th international conference of the East and Southeast Asia Federation of Soil Science Societies, November 3-8, Taipei, Taiwan.**

<http://esafs2019.cssfs.org.tw/>

Year 2018

- **International workshop on Agriculture Green Development, April 23-27, Beijing, China.**

- **Academic symposium on Soil Science and Technology help to promote Rural Revitalization, July 4-6, Zhengzhou, China.**

- **The 34th Congress of the International Society of Limnology (SIL 2018), August 19-24, Nanjing, China.**

<https://limnology.org/>

- **The 22nd national academic symposium on Biological nitrogen fixation, September 16-18, Nanjing, China.**

- **The 12th cross-strait symposium on Soil and Fertilizer, October 14-19, Taipei, Taiwan.**

- **The 11th international symposium on Agriculture and Environment, October 14-18, Nanjing, China.**

<http://agr-env-2018.csp.escience.cn/dct/page/65540>

- **International symposium on ago-environmental quality, November 2-5, Nanjing, China.**

- **The 4th Asia Pacific Biochar Conference (APBC 2018) , November 4-8, Foshan, China.**

<http://apbc2018.csp.escience.cn/>

- **The first National Soil Remediation Conference, December 4-7, Nanjing, China.**

Year 2017

- **The 2nd Global Soil Biodiversity Conference, October 15-20, Nanjing, China.**

<http://gsbc2.csp.escience.cn/dct/page/1>

- **The 15th International Symposium on Soil and Plant Analysis, May 14-18, Nanjing, China.**

<http://isspa2017.csp.escience.cn>

- **The 1st International conference on Eco-technologies for controlling non-point source pollution and protecting aquatic ecosystem, March 26-28, Nanjing, China.**

<http://enpe2017.csp.escience.cn/>

Year 2016

- **The 13th International Phytotechnologies Conference, 26-29 September, Hangzhou, China**

<http://phytotechnologies2016.csp.escience.cn/>

- **SOILREM 2016, September 24-26, Hangzhou, China.**

<http://soilrem2016.csp.escience.cn>

Year 2015

- **The 12th International Conference of ESAFS, September 18-21, Nanjing, China.**

<http://esafs2015.csp.escience.cn>

Year 2014

• **The 20th World Congress of Soil Science on Soils Embrace Life and Universe, June 8-13, Jeju, Korea.**

<http://www.iuss.org/index.php>

Year 2013

• **The 11th International Conference of the East and Southeast Asia Federation of Soil Science Societies, October 21-24, Bogor - West Java, Indonesia.**

<http://www.esafs11ina.org/index.php>

• **Soils in Space in Time - First Divisional 1 Conference of IUSS, September 30– October 4, Ulm/Danube, Germany.**

<https://iuss-division1.uni-hohenheim.de/>

• **The 7th International Conference on Urban Soils, SUITMA7, September 16-20, Torun, Poland.**

www.suitma7.umk.pl

• **Commission 3.6 conference "Utilization and protection of halophytes and salt-affected landscapes", September 4-6, Kecskemet, Hungary.**

<http://members.iif.hu/tot3700/salinityconferencehungary2013.html>

• **International Conference on Four Decades of Progress in Monitoring and Modeling of Processes in the Soil-Plant-Atmosphere System: Applications and Challenges, June 19-21, Napoli, Italy.**

<http://www.fao.org/soils-portal/events/detail/en/c/175602/>

• **International Interdisciplinary Conference on Land Use and Water Quality: Reducing Effects of Agriculture (LuWQ2013), June 10-13, Hague, Netherlands.**

<http://www.luwq2013.nl/>

• **XVII Conference of the International Soil Conservation Organization (ISCO) "Environmental Sustainability through Soil Conservation", July 08 – 12, Medellin, Colombia.**

• **IUSS Global Soil C Conference and Soil Carbon Workshop, June 3-6, Madison, Wisconsin, USA.**

<http://iuss-c-conference.org/static/index>

• **The 4th International Symposium on Soil Organic Matter, May 5-10, Nanjing, China.**

<http://www.ireea.cn/SOM2013>

• **The 13th ISSPA (International Symposium on Soil and Plant Analysis), April 7-12, Queenstown, New Zealand.**
